September 13, 1963

Honorable John A. McCone  
Director  
Director of Central Intelligence  
Washington 25, D. C.

Dear Mr. McCone:

I have carefully reviewed your memorandum of September 4, 1963, concerning the appointment of Mr. John A. Bross as your Deputy for National Intelligence Programs and am hopeful that he will be successful in his discharge of the important responsibilities you have assigned to him.

As you know, the Federal Bureau of Investigation represents me in all matters relating to the United States Intelligence Board. The FBI necessarily limits its participation to those matters which involve the internal security of the United States and does not engage in any foreign intelligence programs or activities such as described in your memorandum. Such positive foreign intelligence information as is developed by the FBI is secured incident to its counterintelligence responsibilities.

I am bringing your memorandum to the attention of the FBI, and you may be sure that this Department will cooperate with you to the full extent of its jurisdictional limitations in this problem.

Sincerely,

*Robert Kennedy*  
Attorney General

*Attorney General*
